Robert Booth Montgomery
3 Mill Ponds

Old flour Mill 5. blocks east of our
home on 5th East Center Street. He built
across from the C - Hospital -
P. A. Hatch and son. Joseph & Hart -
owning it. There were 3. big stone ponds
of water on the east side of it about
100 ft. - 110 ft. We used to skat on the
ponds in the winter.
